

## **General License Agreement "Sir Law's Manowar Collection"**

**01.**

The license entitles the holder, hereinafter called the licensee, to commercially use all **items' images** which were created personally by the website operator of [www.manowar-collection.de](http://www.manowar-collection.de), Andreas Freitag, hereinafter referred to as licensor.

**02.**

This agreement is personal and is valid only between the licensee and the licensor.

**03.**

After the license fee has been paid by the licensee, the licensor commits to provide all **items' images** centrally and sorted by product groups to the licensee with no time limit. This is done by providing a personalized download account for the licensee.

**04.**

The license includes all **items' images** available at the time of license acquisition on the website and all **items' images** uploaded during future website updates. For newly uploaded **items' images** there will be no additional costs for the licensee. Use of these **items' images** is part of the original license agreement.

**05.**

Excluded from the right to use are all website design elements like header, navigation or other personal images and graphics for which the licensor has no own copyright claim. These graphical elements are not included in the download folder. The license approval is valid only for our **items' images**.

**06.**

The licensee is not entitled to pass the right of use granted by the license release to third parties. Neither may the photographic material be distributed to third parties. Sale, exchange or gratuitous transmission to third parties are not covered by this license agreement and are therefore excluded. Infringements by the licensee may entail the license withdrawal and assertion of claims for damages by the licensor. In the case of license withdrawal, caused by actions contrary to the agreement, the licensee has no claim for compensation against the licensor.

**07.**

Upon payment of the license fee to the licensor, the licensee confirms the conditions previously mentioned as read and understood. Further, the licensee accepts to pay the license fee with all the conditions of this agreement without reservation and without restriction.

**After purchasing the license you will receive an agreement personally issued to you.**
